Important Information :

1. See information supplied by manufacturer with product
2. Fitting instructions to be followed each time ear plug is used
3. Remove earplug slowly with twisting motion to gradually break the seal. Rapid removal may damage ear drum.
4. Keep away from infants and small children. These earplugs are non-toxic, but may interfere with breathing if caught in windpipe, which could lead to serious injury or death. The cord attached to H 101 earplug is not a toy. It may interfere with breathing if wrapped around the neck which could cause serious injury or death.
